

Ichabod Crane High School Student Service Program Confidentiality Agreement

I understand that all peer mentoring/peer tutoring sessions between the student learner and peer mentor/peer tutor are to stay confidential. Maintaining confidentiality of the student learner's information and/or progress is essential for participation in this program. For example, this includes but is not limited to, maintaining confidentiality of test grades or scores and any personal information and/or problems that the student learner may disclose in a peer mentoring/peer tutoring session. **If disclosure or suspicion of harm to self or others takes place during a peer mentoring/peer tutoring session confidentiality will be broken and this information will be shared with staff of the Student Service Program immediately.**

Mutual confidence and trust are vital elements of a successful peer mentoring/peer tutoring program. Discussion and sharing between the peer mentor/peer tutor and the staff of the Student Service Program may and should take place to provide the best level of service to the student learner.

I agree to the above Confidentiality Agreement:
