

ICHABOD CRANE CENTRAL HIGH SCHOOL STUDENT PARKING AGREEMENT

Only Juniors and Seniors will be allowed to obtain parking permits for daily driving privileges. One day parking permits will be available if requested by parents in writing in advance and approved by the administration.

In order for a student to obtain a parking permit he or she must take the district offered driving seminar in the year the permit is requested and prior to approval of the permit. Seniors who had a permit during their Junior year must attend the driving seminar in September (of their Senior year) in order to be re-issued their permit.

Students who wish to park at the school beginning in September must apply for a permit by the end of the first full week of school. After that date students must obtain a permit before parking at school.

1. Students who are late more than four (4) times in any five (5) weeks without a note written and signed by a parent will lose their driving privilege for five (5) weeks. **Notes must be received at the time of arrival.**
2. Students who earn 10 demerits will lose driving privileges for the remainder of the school year.
3. Students who are failing classes as reported on Interim's and/or report cards will lose their driving privilege until adequate achievement is shown on the next regular reporting date.
4. Students who at the end of the school year fail one or more classes and do not attend summer school will not be eligible for driving privileges until the first interim report in the following school year.
5. Vehicles parked in the parking lot without the proper parking decal displayed may be towed without additional notification at the owner/operator's expense.
6. Students who lose their driving privilege, but drive to school anyway will have the vehicle towed without further notification at the owner/operator's expense. Additionally they will lose their privilege for the remainder of the year. If they have already lost them for the year, the loss of privilege will be extended through the next school year.
7. Student operated vehicles that are parked in areas not designated for students will be towed without further notification, and the student will lose his/her privileges for the remainder of the school year.
8. The School Resource Officer may ticket any student who operates a vehicle on school grounds, which is found to be in violation with New York State Department of Motor Vehicle regulations.
9. Any student who violates NYS Vehicle and Traffic laws while operating a vehicle on school property may be ticketed for such violations and parking privileges may be revoked.
10. Any student who knowingly causes damage to school property (including but not limited to lawn areas) at any time will lose the privilege of driving to school for the remainder of the school year.
11. Any student who, while operating a vehicle on school property, causes damage to another vehicle on school property and fails to report the incident will lose driving privileges for the remainder of his/her school career.
12. Students who transport other students in their cars during the school day (7:42am – 2:16pm) or to or from the Columbia-Greene Educational Center during these hours without administrative approval may lose their driving privileges for the current school year.
13. Students may register more than one vehicle and are encouraged to do so if there is a chance they will be driving an alternate vehicle.
