

Ichabod Crane Private School Transportation Routes 2009-2010

All routes are subject to change. Students should be at the bus stop five minutes before the bus arrival time. Times are computer generated and are approximate. All notes expire at the end of each school year. If you need to make special arrangements for your student, please submit the information in writing. All Kindergarten through fifth grade students must be met at the bus stop by an adult unless other arrangements have been made. For safety reasons, please provide a list of anyone who may meet your child.
