

How You Can Help Your School While Shopping

1. **CAMPBELL LABELS FOR EDUCATION**: Found on Campbell products. Simply cut them out and hand in to Primary School. *Cut out just the Label for Education please - not the whole can label!*
2. **BOX TOPS FOR EDUCATIONS**: Found on General Mills products. Simply cut out and send in to the Primary School. **PLEASE** be sure to cut out along the dotted lines!!!!!! A volunteer prepares these and it takes a great deal of time when there are thousands of them to cut out. It just takes a second when there are only a few!!! Maybe your child can help! The company will not accept them unless they are properly cut out.
3. **PRICE CHOPPER TOOLS FOR SCHOOLS**: Register your Advantage Card (Price Chopper.com) for ICC Primary - Account #15889 – and Shop Away!
4. **HANNAFORD HELPS SCHOOLS**: When shopping at Hannaford, watch for School Dollars and place them in the Primary School slot in front of the Registers or in the box in the PS Lobby. ***WE WERE FIRST LAST YEAR AND RECEIVED A BONUS of \$1000 – LET'S DO IT AGAIN!!!***
5. **TARGET – TAKE CHARGE OF EDUCATION**: Apply for Target Red Card, enroll in the program for ICC PS and start shopping with the Red Card. (PS has received a check for over \$569 this past year)
6. **METAL CAN TABS – TO BENEFIT RONALD MCDONALD HOUSE** – Please put the TABS in a plastic bag to keep little hands safe. We will collect them in the lobby. Ronald McDonald House will collect them, turn them in and use the money collected to pay their bills. One downstate House pays for the heating bills with the money collected!!!!
7. **NEW COUNTRY VALUE FOODS** - An order form will go home with your child once a month. There are some great items at good prices! A percentage of the orders will be donated back to the PTA!

Hannaford Helps Schools
