

September 2009

Dear Parents of ICC Music Students,

Welcome to a new school year at ICC, where our music program is known for its excellence. Staff and students will once again be working hard all year to develop the many talents of our children, and many audiences will come to enjoy the results. The music program needs and deserves strong parental support. Please consider volunteering a small amount of your time to help out with one or more of the activities your child will participate in during the upcoming school year. It shows the students that they have our support, and it's fun! Please help us to organize by **completing and returning the bottom info sheet to your child's music teacher.** You will be contacted with specific information about the events you indicate you can help with.

Also, consider becoming an officer for next year – two of our officers will not be returning as their children are graduating.

TEMPO meets on the third Wednesday of each month in the high school library at 7:30. (Please refer to your calendar or check our website) Parents of all K-12 Students are welcome to join us with your ideas. If you would like to be kept informed of TEMPO's activities via e-mail, please give your address. We're looking forward to a great year. Our first meeting is Wednesday, September 23rd. Hope to see you there! Thanks.
