This summer, July 8-11th, we will be offering an exciting and diverse dance camp.

Each morning will begin with a ballet class. Ballet is the foundation of every style of dance. Dancers will work on technique, strength, and poise. Following Ballet class, students will get the opportunity to work on audition etiquette, as well, as choreography. Next students will move into their Tap class, where they will learn basic technique through the more advanced tricks that can be found in this genre. After lunch, there will be Jazz class. Students will work on technique, performance quality, and flexibility. To end their day, dancers will spend time learning original Broadway choreography. Whether a beginner or a more advanced dancer, there is a great deal to learn at this camp. Material will be adjusted based on ability, and all are welcome. I hope to see you there!

Attire:

Please wear comfortable clothes that allow you to move. They should be close fitting to the body. You do not need to wear leotards and tights, and please no Jeans!!! Please bring ballet slippers, jazz shoes or heels, and tap shoes. If you do not have dance shoes, sneakers will be fine.

Please bring lunch and a water bottle.
