

ADVISORY COMMITTEES TO THE BOARD

The Board of Education may establish advisory committees for special projects or to address specific problems or issues. Such committees may include members of the Board and individuals who have not been elected to the Board so that the resources of the entire community may be utilized for the good of the district. Final decisions in all matters will rest with the Board.

Committees shall report all suggestions and recommendations to the Board and Superintendent of Schools prior to public release. Final reports shall be delivered to the Board at a meeting scheduled by the Board to receive the report.

Any official policy-level action is the sole discretion of the Board. The Board is in no way obligated to follow committee recommendations. The Board has the right to accept, reject or modify all or any part of a committee recommendation.
