

SCHOOL BOARDS CONFERENCES, CONVENTIONS, WORKSHOPS

In recognition of the need for continuing inservice training and development for its members, the Board of Education encourages the participation of all members in meetings and activities of area, state and national school boards associations, as well as in the activities of other educational groups. Board members are encouraged to study and examine materials received from these organizations.

In order to control both the investment of time and funds necessary to implement this policy, the Board establishes these principles and procedures for its guidance:

1. Board travel and all expenses will be approved by the Board of Education.
2. The Board will reimburse conference attendees (Board members) for reasonable and necessary expenses not paid for directly by the district (travel, hotel, meals, registration).
3. When any Board member attends a conference, convention or workshop, the member will be requested to share information, recommendations, and materials acquired at the meeting.
