

## POSTING OF PART TIME/SEASONAL AND TEMPORARY POSITIONS

In an effort to maintain an efficient and cost effective operation, the district routinely creates a number of part time, seasonal, temporary and/or substitute positions. In an effort to provide equal access to such positions, all vacancies, with the exception of competitive civil serviced positions will be posted on the district website. Positions will be posted on a rolling basis (i.e.: substitute bus drivers) or as an as needed basis (summer maintenance worker/cleaner). All non-competitive positions will be posted for a reasonable period prior to selection of a candidate to be recommended to the Superintendent for appointment.
