If you were unable to attend, or missed the information; please do not hesitate to look on our website for some valuable resources related to the project. Our Capital project vote will be on December 12<sup>th</sup>. Please come out and vote!

It is my goal to ensure that every child in the Primary school has a wonderful, safe and enriched learning environment! Please do not hesitate to reach out to me with any questions and/or concerns. I can be contacted in the Primary school at (518) 758-7575 ext. 6004.
