Welcome

TEMPO is a booster organization that supports the arts and music in the Ichabod Crane School District.

Our district begins music education in Kindergarten, and students can choose to continue right through high school.

Music offers lessons in self-discipline, skill development, teamwork and an appreciation for the arts.

TEMPO To Encourage Music Participation Organization

General Information

TEMPO is the Booster Organization that supports the Arts and Music in the Ichabod Crane School District. Any member of the Community may participate in TEMPO. We generally meet the third Wednesday of the month in the Library at the High School at 7:00 pm and all are Welcome!

As many of our Performing Arts Groups are self-supporting, our fundraisers help fill gaps in the budget for our teachers and advisors. This includes purchases of sound equipment for our classrooms, sheet music, instrument repairs/purchases, Senior Awards, food for students and volunteers at various events, and much, much more... We offer our Jeff Lovell Memorial Scholarship(s) each year to graduating seniors pursuing the arts in college. This past year TEMPO had three wonderfully talented recipients and we are glad to help them pursue their dreams.

Many Ichabod graduates make the performing arts and

music their vocation; working in stage management, teaching music, singing with military chorus, playing in orchestras as well as theater performance.

Please contact us if you would like to get more involved or if you have any questions or comments.
