

Happy June!

Dear Primary School Friends & Families!

It is so hard to believe that it is June and we are almost done with the 2018-19 school year. As I close my second year at the Primary School, my thoughts are filled with excitement and joy. The students that attend our school are what makes it a wonderful place to work. We, all the educators, in the Primary School are so lucky to engage with our students each day. They will be missed ☺

Our Character Trait for this month is Friendship. It is so important that we teach our children what it means to be a good friend and have strong friendships. At the close of the month, we recognize those students by saying their name on the announcements, providing them with a certificate, pencil and a picture. The pictures are displayed on our social media accounts so we can “brag” about our amazing little riders!
