We are so excited to report that the Flying Deer program is at the Primary School once again this year! The knowledgeable staff members come to visit our students in Grades 1 through Grades 3 on Thursday's during the student's recess time. Please join us on October 2nd for a Parent Information Night where the Flying Deer staff will be providing us with the activities and learning that is done with the students during their "Treecess" time. Also, bring the whole family on Saturday, October 26th for a fun day framed around the Flying Deer philosophy.

It is my goal to ensure that every child in the Primary school has a wonderful, safe and enriched learning environment! Please do not hesitate to reach out to me with any questions and/or concerns. I can be contacted in the Primary school at (518) 758-7575 ext. 6004.

Happy Fall Reading,

Andrea Williams

Primary School Principal
