There are a few exciting things that have been implemented to enhance our outstanding Primary School. This past weekend we had three staff members, Ms. Firstuin, Mrs. Doubrava and Ms. Matusiak, who spent their weekend creating a Sensory Path in our hallway. The path includes hopscotch, push-ups, jumping, hopping and skipping. The children are so excited, so please be sure to ask them about it and how and why they use it! Another addition is the use of Tyler Drive on our buses. The children were provided with a tag and lanyard that attached to their backpack. This wonderful tool will help to ensure that the children are on the correct bus, along with other important procedures. Check out the transportation link on our website for more info.

Please do not hesitate to reach out to me with any questions and/or concerns. I can be contacted in the Primary school at (518) 758-7575 ext. 6004.

Happy Fall Reading,

Andrea Williams

Primary School Principal
