

Dear Primary School Friends & Families,

We hope everyone is has a wonderful school year thus far. There are so many great things happening at the Primary School, including our new connector road. This new road has made such a positive impact on our students. One way the impact is positive for the students is to lessen the time that the children are on the bus. Beginning December 11th, when the students arrive at the Primary School, they will be released off the bus at 7:40 am. The current pick-up and drop-off time of your child will not be effected. Also, parent drop off on State Farm Road will begin at 7:40 am

We continue to encourage families to come to school events and get involved in the PTA. This relationship can only strengthen the school experience for our Lil' Riders!

Please note the important dates listed below:

Dec. 12 th	Festival of Trees	4:00 pm/ Primary School
Dec. 13 th	ENL Holiday Celebration	6:00 pm/ Primary School
Dec. 20 th	Holiday Sing Along	Students Only
Dec. 23 rd – Jan 3 rd	Holiday Break	No School for Students

The school year is going by in a flash. The children are continuing to grow and learn, which makes for a wonderful school building.

One of the most important initiatives that has been started at the Primary School is having all the students visit our local libraries to use their new library card. While I understand that raising children can be busy at times, it is so important that our young readers have the opportunity to visit the library and check out books that are of interest to them. Please try and find some time over the holiday break to visit one of our local libraries.

We are all looking forward to our annual Festival of Trees which has been dedicated to the memory of Melissa Murray. Melissa worked for many years in our district, all of which were to better the education of the students at Ichabod. We look forward to seeing all our families at this wonderful event.

Please do not hesitate to reach out to me with any questions and/or concerns. I can be contacted in the Primary school at (518) 758-7575 ext. 6004.

Happy Holiday Reading,

Andrea Williams

Primary School Principal
