

## 2021 Open House Dates

In order to comply with our current COVID health and safety protocols and minimize the risk of transmission, we have scheduled our open houses over several days in two different formats, both in-person and virtual.

For in-person events, families will be assigned a time to meet with their child's teacher to limit the number of people in the building at once.

Links for virtual events and assigned time slots for in-person events will be forthcoming from your child's teacher
