

February 15,

2022

Dear Students,

It is that time of the school year when the Northern Columbia Lions Club announces its annual scholarship to a graduating senior, or homeschooled senior, residing in the Ichabod Crane School District. The selected student and his/her parents will be invited to the June club dinner meeting where the student will be introduced to the club members, be asked to discuss future goals, and receive the first half of the scholarship. The second half of the scholarship will be awarded at a similar meeting the following January, where the winner will be asked to speak about the first semester of college.

To apply, please complete the attached application and return it to the Ichabod Crane High School Guidance Office no later than Friday, May 13, 2022. All information will remain confidential and all applications will be destroyed after the selection has been made.

The Northern Columbia Lions Club is proud to sponsor this scholarship for the graduating seniors who reside in the Ichabod Crane School District.

Scholarship Chairman

Chuck Albertson
