**This summer, August 22-25, we will be offering an exciting and diverse dance camp.**

This summer we will be offering an exciting and diverse dance camp. Each day will begin with a Jazz warm up to increase strength, cardio, and flexibility. Students will also work on technique, performance quality, and learn original Broadway choreography. Following Jazz, students will have a Ballet class. Ballet is the foundation of all styles of dance and is crucial to a dance education. Dancers will focus on technique, strength, poise, and grace. Afterwards, students will have the opportunity to work on audition etiquette, as well as choreography. Students will end their day with Tap class, where they will learn basic technique through the more advanced tricks that can be found in this genre. Whether a beginner or advanced dancer, there is a great deal to learn at this camp. Material will be adjusted based on ability, and all are welcome. I hope to see you there!

**Attire:**

Please wear comfortable clothes that allow you to move. They should be close fitting to the body. You do not need to wear leotards and tights, and please no Jeans!!! Please bring ballet slippers, jazz shoes or heels, and tap shoes. If you do not have dance shoes, sneakers will be fine.

**Please bring a water bottle.**
