Dear Parents/Guardians:

The annual "Go Home Early" drill is scheduled for Thursday, November 10, 2022. On that day, all students will be dismissed 15 minutes earlier than the normal dismissal time. This is a requirement of the NYS Education Department to ensure that students and staff are prepared in case an emergency requires school grounds to be cleared and students to be transported home or to another location.

Please plan accordingly as students will then also be arriving home approximately 15 minutes earlier than normal. For more information on the drill, please contact your child's school building main office.

Sincerely,

A handwritten signature in cursive script that reads "Suzanne Guntlow".
