

High School Riders of the Month

DECEMBER 2022

DAKOTA HAMM

Dakota brings her best to each class. She has a positive attitude that is contagious and is happy to help others in class. She is a dedicated student who makes learning a priority.

OLIVIA SALO-MCCLOSKEY

Olivia is consistently ready and willing to contribute to the class discussions. Her classwork is always done beautifully and she willingly helps others around her.

WYATT SCARPINATO

Wyatt consistently impresses me with his kindness towards other students when he arrives at school in the morning. He always has a smile and shows concern for his fellow classmates on a regular basis. It's the small, simple gestures over time that make a big difference.

WOOD MIKE BRUNO

Mike is an incredibly hard worker and is always pleasant. He is respectful to teachers and his peers and is always willing to help those who need it.

ELLIANA MACPHERSON

Elliana is working hard and excelling in math. She is motivated and seeks help when she needs it. She is able to balance her time well between school and work and she is always willing to help others in class.

KATIE MORRISON

Kat has returned to school this year totally on fire!! She has an amazing attitude, is completely focused, and is very responsible, getting her work done in a timely fashion. While doing such a wonderful job taking care of her own business, she still does her best to encourage others and help where she can. I know others can see a huge difference in her as compared to last year.

NIKOLAS CHRISTIAN

Kol is a hard-working student, athlete, and club member. He represented ICC as the sole member of the Cross Country team to make the State Championship meet. In doing so, he was a great captain who could be relied on by his coaches to help younger athletes.

Similarly, Kol has been a great leader for the Model UN Club. He has led the group in understanding the parts of Model UN, as well as how to engage and write in the style necessary to be a part of conferences. He has significantly helped to prepare the ICC MUN Club for the Harvard Model UN Conference in January.

OLIVIA GIBEAULT

Olivia was the winner of the VFW "Voice of Democracy" contest with our local chapter. Olivia wrote and performed a wonderful essay about the role of veterans in the US today, focusing on her grandfather and what he did. She is a great example of what ICC students can accomplish.

Congrats!
