

4th Grade Supply Lists
School Year 2023 - 2024

Dear Parents,

Welcome to 4th grade. We look forward to meeting you and your children in September. There are **2 parts** to the supply list.

First is the **General Supplies**. This is the list that **all 4th grade** teachers require.

Second is **each individual** teacher's required supplies. This is **in addition** to the general supply list. You will add these items **once you know your child's placement**. Items from both the general and the teacher supplies are required.

Thank you,
