

# High School Riders of the Month

SEPTEMBER 2023

# LAURYNN WEED

Laurynn has proven to be a wonderful addition to her classes. She is so kind and has a great attitude each day. She works hard and gets along with her peers and teachers.

# MARISSA LOCKMER

Marissa is a well rounded, intelligent, caring student that makes ICC a great place to teach. Her candor and willingness to learn new things is what puts her at the top of my list for possible Riders of the month.

# LILIA PITTS

I am so impressed with Lilia this year. She is involved in cross country and color guard. She is working very hard on her academics.

# BRITTANY BRENNAN

Brittany is off to a great start! She is bringing her A game each day - participation, a positive attitude, and hard work. She is also a member of the cheerleading team and is spreading school spirit.

# PATRICK GRAZIANO

Patrick has been a great contributor to class. He is kind to all of his peers and teachers and is a great example of what a well-rounded student should be.

# SARAH BALON

Sarah is a leader in and out of the classroom. In AP US History, Sarah brings so much to class with her discussion skills and knowledge. On top of this, she also recently wrote, directed, and premiered her own film at the Valatie Community Theater.

# AVA HEFFNER

Ava is a kind-hearted and caring person. She is always willing to lend a helping hand whether it is to someone in need, or simply an offer to help in general. Ava greets everyone with a smile and is willing to talk to anyone. One of her peers recently described her as a: "Person who brightens my day!" Ava is an excellent example of an Ichabod Crane Rider!

# KYLE GEORGE

Kyle has shown much growth since Freshman year. He is doing a great job at recycling and is showing leadership skills with his classmates.

Congrats!
