

High School Riders of the Month

OCTOBER 2023

ZOWEY TAPIA

Zowey is an active participant in class and proactively helps her peers. I love that she's willing to take academic risks.

JACQUELINE HUNTER

Jacqueline is a well-rounded, intelligent, caring student that makes ICC a great place to teach. Her candor and willingness to learn new things is what puts her at the top of my list for Rider of the Month.

RYAN EMERY

Ryan is a fantastic member of the Rider community. He is kind and helpful to both his peers and adults. Ryan is smart, curious, and insightful. His dependability and consistency make him a role model in class.

RICARDO MARTINEZ-CRUZ

Ricardo was absolutely amazing when I needed help translating for a few of our Spanish-speaking students who were getting their school physicals. He assisted our Medical Director. He was so helpful and offered his assistance again whenever it was needed.

PAIGE EVERETT

Paige comes to class with a smile on her face every day, approaching class with a positive attitude. She is a dedicated student, not afraid to ask questions, and she is always willing to help her classmates when needed.

ELISE SAYERS

Elise has been incredibly hard working all year. She is an active participant in class, answering questions, and putting answers on the board, when necessary. She has been a pleasure to teach.

LILLIANA HEARTQUIST

Liliana is an incredibly kind person who always volunteers to help with class activities and never fails to encourage others with her kindness and gentle presence.

KRISTANNA SAMASCOTT

Kristanna is very busy, but always manages to be there when her class needs her. She keeps everyone informed of class activities and encourages people to participate.

Congrats!
