

# High School Riders of the Month

SEPTEMBER 2025

*#riderpride #ichabodcares*

# GABRIELLA LEE

Gabby is off to a wonderful start here at the high school. She is doing a great job completing her assignments, and I've heard she does well with class participation. I would like her to know that her efforts have been recognized.

# YANISELL LOPEZ-LOPEZ

Yanisell has had a great start to the year. She's a team player—polite, engaged, and always participating with a smile. Her positive attitude makes her a joy to work with.

# CORINNE JONES

Corinne is one of the kindest, most respectful students I have ever known. She is smart and thoughtful, and is friendly to both her peers and adults. She is a leader and a true role model.

# ANALI GOMEZ

Anali brings a positive and cheerful attitude to class every day. She is a student who is an outstanding participant in class and consistently gives her best effort in any task assigned. She is a leader in class discussions, but is also conscious of making sure that all students in a group are included in discussion. Anali is very supportive of her peers and is a pleasure to have in class.

# GIANNI BARTLEY

Gianni has shown perseverance and dedication in both his academics and positive attitude over the last year. He extends this commitment beyond school by contributing at a local community center.

# HECTOR MORENO QUINTANA

Hector is an exchange student from Spain. He shows excellent effort and participation in US History and Government. I second this one. Hector is in my Advisory and Advanced Drawing & Painting class. He is enthusiastic, open-minded, hardworking, and friendly. He participates every day. He's a great person!

# MALIA MARCH

Malia has come such a long way and has been such a good person, especially helping younger kids who are struggling to feel like they belong.

# DAVID GRAY, JR.

David has shown outstanding effort in Economics and great class participation.

Congrats!
